

PORTRABLE UPRIGHT BIBLE/BOOK HOLDER**ABSTRACT**

The Portable Upright Bible/Book Holder is constructed out of plexiglas material. The holder has three sections which can be assembled or dismantled easily without tools for transport. The bottom section is the base of holder, the center section tube supports the table top and also is constructed to hold writing material and other small items. The third section is the table top constructed to hold a book. The three interlock to form a durable table to be used in the home and at meetings.
